2. Drag and drop pictures into the rectangle, click **Browse Computer**, or upload pictures with the [SmugMug application](#) or from another service.

- a. If you click **Browse Computer**, a window will pop-up. Find and select the pictures you want to upload and then click Open. The pictures will upload.

3. After you have dragged and dropped or clicked **Browse Computer** and selected the pictures you want to upload, click the green DONE button in the top righthand corner.

Thank you for sharing your pictures!
